## **ATTENTION HAZMAT DRIVERS**

The Hazardous Materials Endorsement Threat Assessment Program conducts a threat assessment for any driver seeking to obtain, renew and transfer a hazardous materials endorsement on a state-issued commercial driver's license. The assessment includes collecting the individual's fingerprints and verification of US citizenship, immigration eligibility or permanent legal residence in the United States.

- Complete the online application, schedule an appointment, and find an application center on the TSA HazMat website ([www.tsa.gov/for-industry/hazmat-endorsement](http://www.tsa.gov/for-industry/hazmat-endorsement)). For assistance call the toll-free Driver Help Desk at (855) 347-8371 weekdays, 8am to 10pm.
- You will need your current U.S. passport or a driver's license and birth certificate. See the website above for other acceptable documents.
- A non-refundable fee of **\$86.50** can be paid by credit card, money order, company check or certified/cashier's check (no cash will be accepted). If paying by money order or check, do not fill out.
