School Transportation Vehicle Usage Guide

School Transportation - Vehicle Types

School Bus

A school bus is motor vehicle owned by a public or governmental agency, when operated for the transportation of children to or from school; or privately owned, when operated for compensation for the transportation of children to or from school.

Vehicle Requirements

The vehicle must be manufactured in accordance with all applicable Federal Motor Vehicle Safety Standards (FMVSS) as were in effect on the date of manufacture and must have a federal classification as a “School Bus”. Detailed requirements can be found in [280-RICR-30-15-10](#)

Operator Requirements

Commercial Driver's License (CDL)

The operator must hold a valid Commercial Driver's License (CDL) with Passenger endorsement and a School Bus endorsement. If the bus is equipped with air brakes, an air brakes test must also be passed. More information can be found at: <http://www.dmv.ri.gov/licenses/commercial/index.php>

School Bus Operator’s Certificate (White Card)

The operator must also hold a valid School Bus Driver Certification card issued by the Rhode Division of Motor Vehicles. More details on the steps required to obtain this certification can be found at <http://www.dmv.ri.gov/licenses/bus/>
